Durable...*

*Convenient
Access to your
Porch or Deck*

Superior Styling

Residential Vertical Platform Lift from Bruno

Now your porch or deck is totally accessible through this affordable solution from the leaders in residential accessibility technology.

Peace of Mind is not bought...it is given...through the skill, dedication, and vision of proud craftsmen who design and build products to increase the independence of people around the world.

Safety is the watchword.

Reliability is the standard.

Value is the promise.

Vertical Platform Lift Safety Features

The entire bottom of the platform is spring sensitive, shutting the unit down if an obstruction is encountered.

Automatic self-lowering folding ramp provides convenient entrance for mobility devices when in the "down" position, and a safety barrier in the "up" position.

Simple, accessible push button or optional paddle controls with emergency stop switch are easy to operate.

Optional – Top landing gate includes mechanical interlock released only with platform at the top landing.

Quality Craftsmanship

The Bruno name has always meant trust.

Our Vertical Platform Lift (VPL) extends that promise to another category of solutions “for your independence”.

For the consumer who insists upon performance and reliability, the Bruno VPL-3100 offers the perfect solution for your home accessibility needs.

Performance

With a rated weight capacity of 750 lb (340 kg), Bruno’s Vertical Platform Lift can handle virtually any power wheelchair or scooter and occupant. Its rugged dependability and powerful performance provide complete confidence.

Dimensions shown are for the standard platform size.

**optional platform sizes and configurations available.*

Dimensions shown are for the model VPL-3153

For detailed specifications and dimensions go to www.bruno.com.

VPL Options

Optional keyed call/send controls offer additional security and ease of operation.

Stay dry with an optional Canopy! It can be retrofitted for previously installed units. (Not available for 90° platforms)

Battery Powered Option

Bruno offers added peace of mind with our new battery powered Vertical Platform Lift.

Your life doesn't stop when the power goes out – now your VPL doesn't have to stop either!

Our battery powered VPL provides access in and out of your home even during a power outage.
